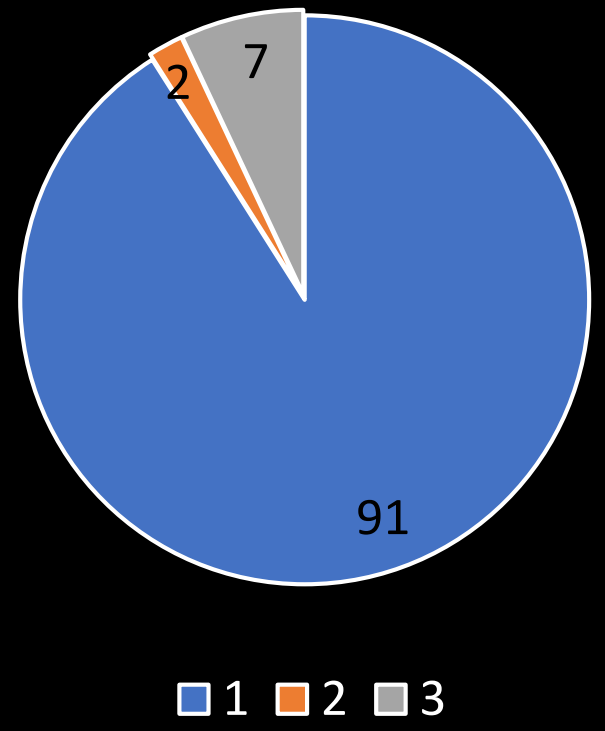
Is moving really the “thing”?

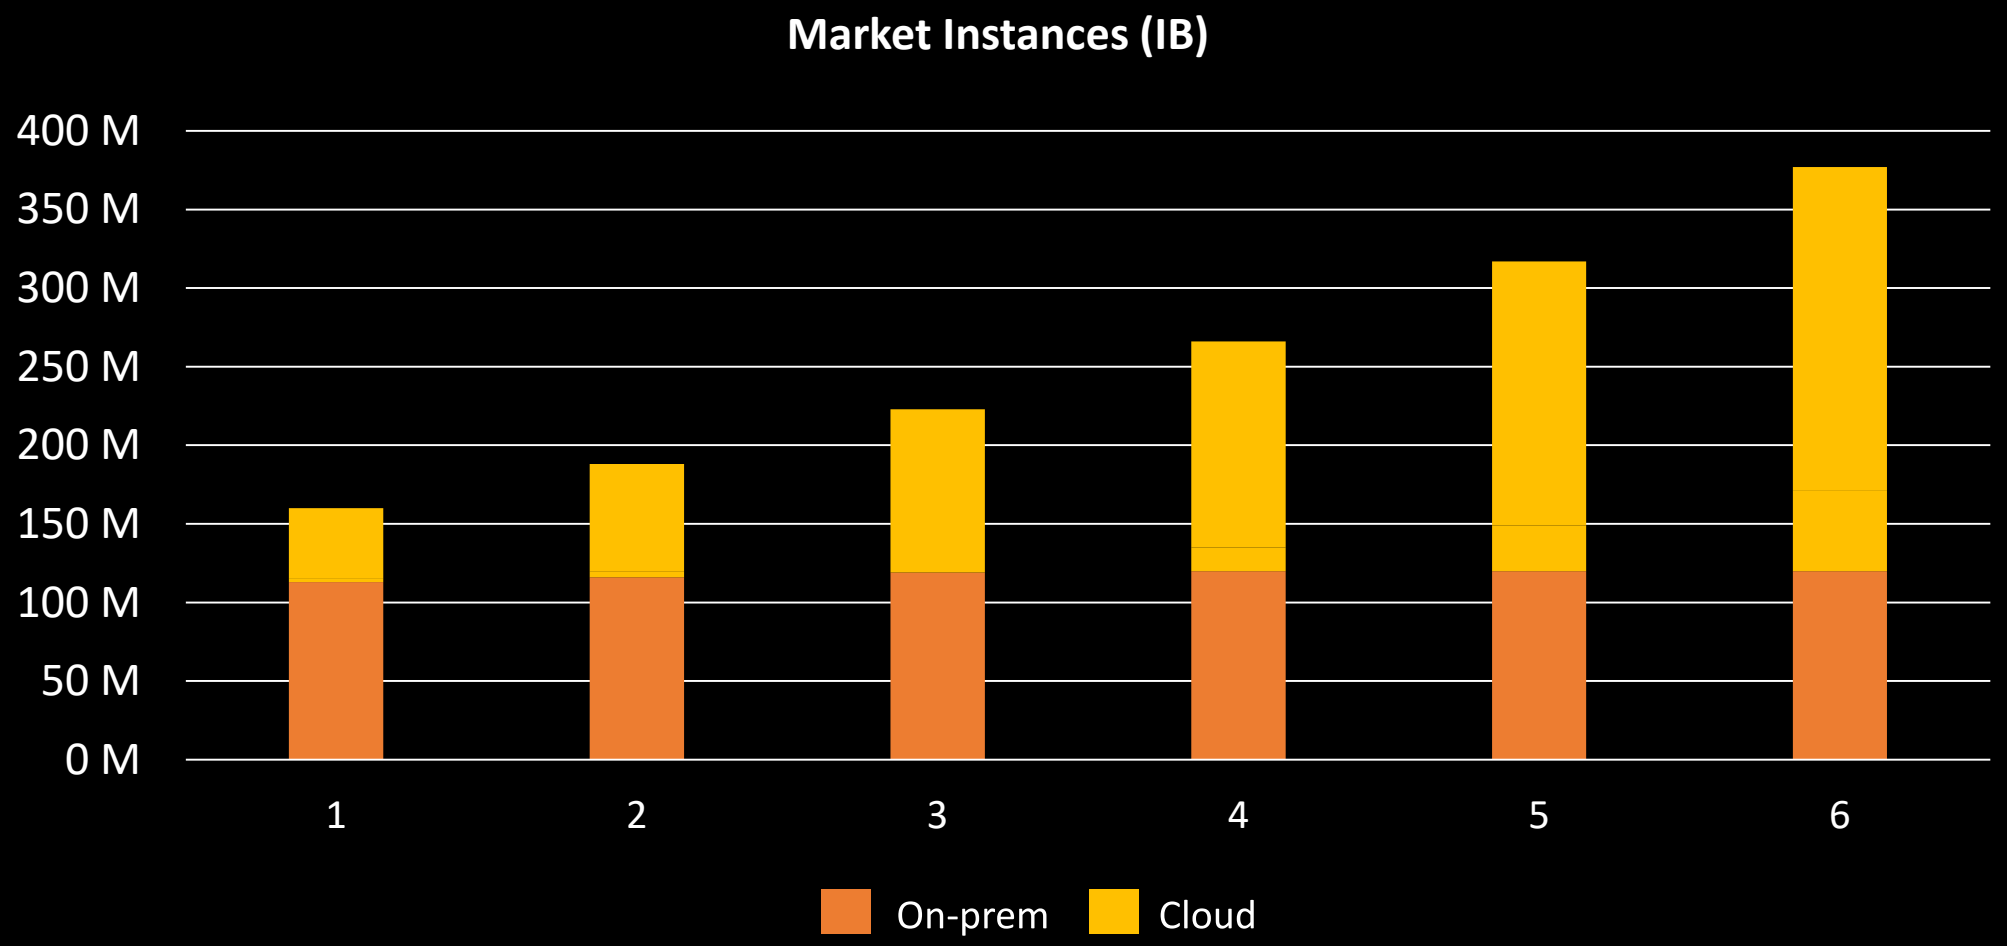
67% **Two-thirds** of organizations are using a hybrid cloud

RightScale 2017 State of the Cloud Report

Hybrid cloud as a long-term viable strategy (n = 1000)



Cloud VM instance forecast



Forecast, 2016

```
 If($Statement -eq $true)
{
    Write-Warning “You need to build for Hybrid!"
}
```

On-Premises
is a part of the Cloud

Demo

```
 If($Statement -eq $true)
{
    Write-Warning "You need Hybrid Management Tools"
}
```

Windows Admin Center
